# ROAD HAZARD PROTECTION

**Purchasing tires is an investment. The Vanderbilt Grand Spirit Touring L/X and C/X Road Hazard Protection Program gives you the added confidence and peace of mind to support your purchase!**

# ROAD HAZARD PROTECTION CARD

Any Vanderbilt Grand Spirit Touring L/X and C/X that becomes unserviceable within one (1) year of the purchase date or within the first 2/32nds of an inch of treadwear (whichever occurs first) due to a normal road hazard condition will be repaired or replaced free of charge (subject to the General Conditions and Limitations). The term "road hazard" does not include sidewall damage from scuffing curbs. Once a tire is worn beyond 2/32nds of an inch of treadwear or more than one year from date of purchase, this road hazard warranty is null and void.

To receive services under the Road Hazard Protection Program, you should return to the original place of purchase, where you will be required to present the original purchase receipt along with this card with the Information Section completed..

**NOTE:** The Road Hazard Protection Program is a supplement to the Vanderbilt Limited Warranty that accompanied the tires you purchased. The warranty exclusions and limitations of that Limited Warranty apply to this Program. You will not be eligible for replacement or repair if the tires:

- Are not installed on the original installation non-commercial vehicle;
- Were not operated in normal highway use in the United States or Canada;
- Exhibit damage from defective wheel or vehicle conditions; or
- Exhibit damage from negligence, abuse or improper inflation or load.

**See the Vanderbilt Limited Warranty for more details about warranty exclusions and proper tire use and safety.**
